

# Freight Movement Plan Planning Process

## DRAFT STATEWIDE FREIGHT PLAN WITH FISCALLY CONSTRAINED INVESTMENT PLAN

Develop Draft Plan that outlines priority projects strategies and actions; and describes how federal freight funds would be invested and matched; and how private partners can help.

**EDUCATE & OBTAIN FEEDBACK**  
Share with Freight Plan Advisory Group for feedback.

## IDENTIFY INITIAL STRATEGIES & ANALYZE ALTERNATIVES

Identify critical multimodal facilities and corridors and build a user-friendly database of freight facilities and resources.

*Consult Freight Plan Advisory Group*

## DRAFT GOALS, OBJECTIVES & MEASURES

Use data analysis to inform the development of goals, objectives and measures with an emphasis on National Multimodal Freight Network & National Highway Freight Program goals.

*Consult Freight Plan Advisory Group*

**EDUCATE & OBTAIN FEEDBACK**  
Gather feedback from stakeholders.
