PURPOSE OF PRESENTATION & PROJECT INTRODUCTION

- SR 0910, Section A33 (Gibsonia Road) Project
 - The purpose of this presentation is to introduce the project to the public, gather feedback, and present the construction staging
 - The purpose of the project is to maintain a safe and reliable crossing of Gibsonia Road over Deer Creek in West Deer Township, Allegheny County
 - Bridge replacement over Deer Creek

PROJECT LOCATION

PROPOSED PROJECT IMPROVEMENTS

- Bridge replacement project
 - Current structure is a single-span pre-stressed adjacent concrete box beam
 - Scope of work includes super structure replacement, substructure repairs, scour protection, guide rail replacement
- Project will be built utilizing a full detour
- Right-of-Way will be acquired near bridge abutments
- Construction anticipated to begin summer/fall of 2018

NATIONAL ENVIRONMENTAL POLICY ACT (NEPA)

Public outreach begins with the **NEPA** (National Environmental Policy Act) process:

- NEPA requires agencies to integrate environmental values into their decision-making processes by considering the environmental impacts of their proposed actions and reasonable alternatives to those actions
- NEPA also includes public involvement activities and gathering feedback from the public
