

**Create a PDF Portfolio using
Adobe Acrobat XI
User Guide**

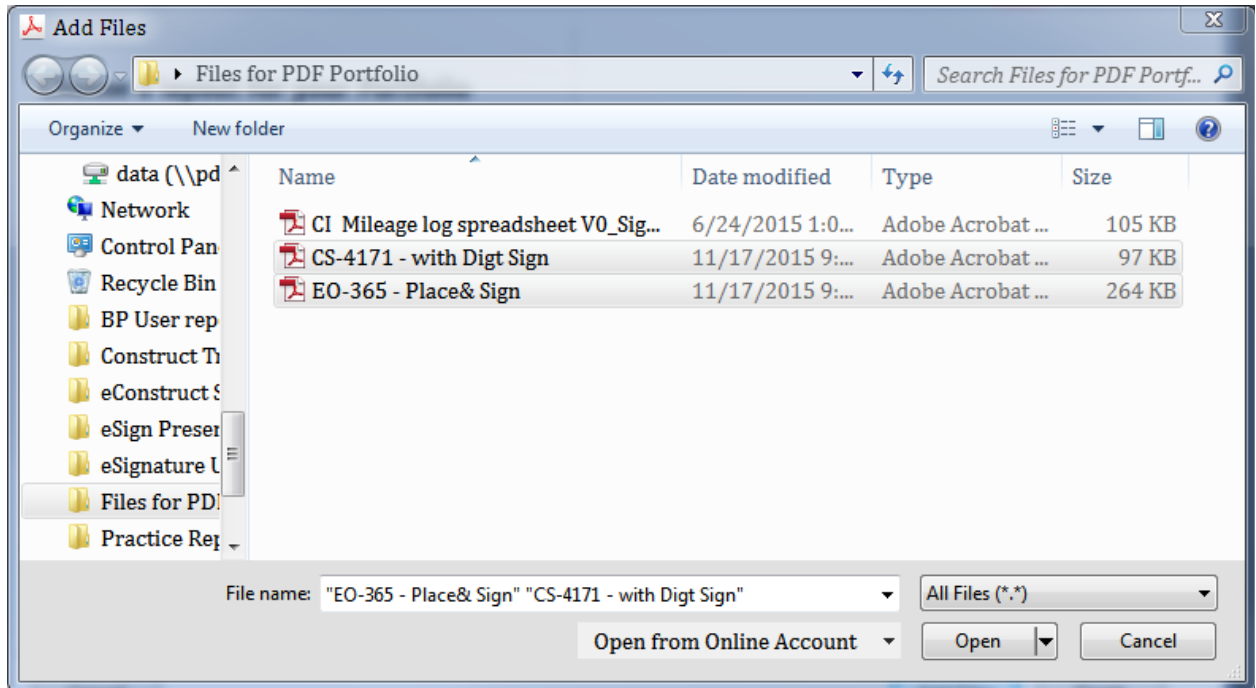

1. Save all of the individual PDF files, you want to combine, in a single file folder.
2. Open Adobe Acrobat (either Standard or Pro version)
3. Select PDF Portfolio under the Create Menu

4. Select Click-Through in the Choose a layout for your Portfolio and then click the Add Files Button

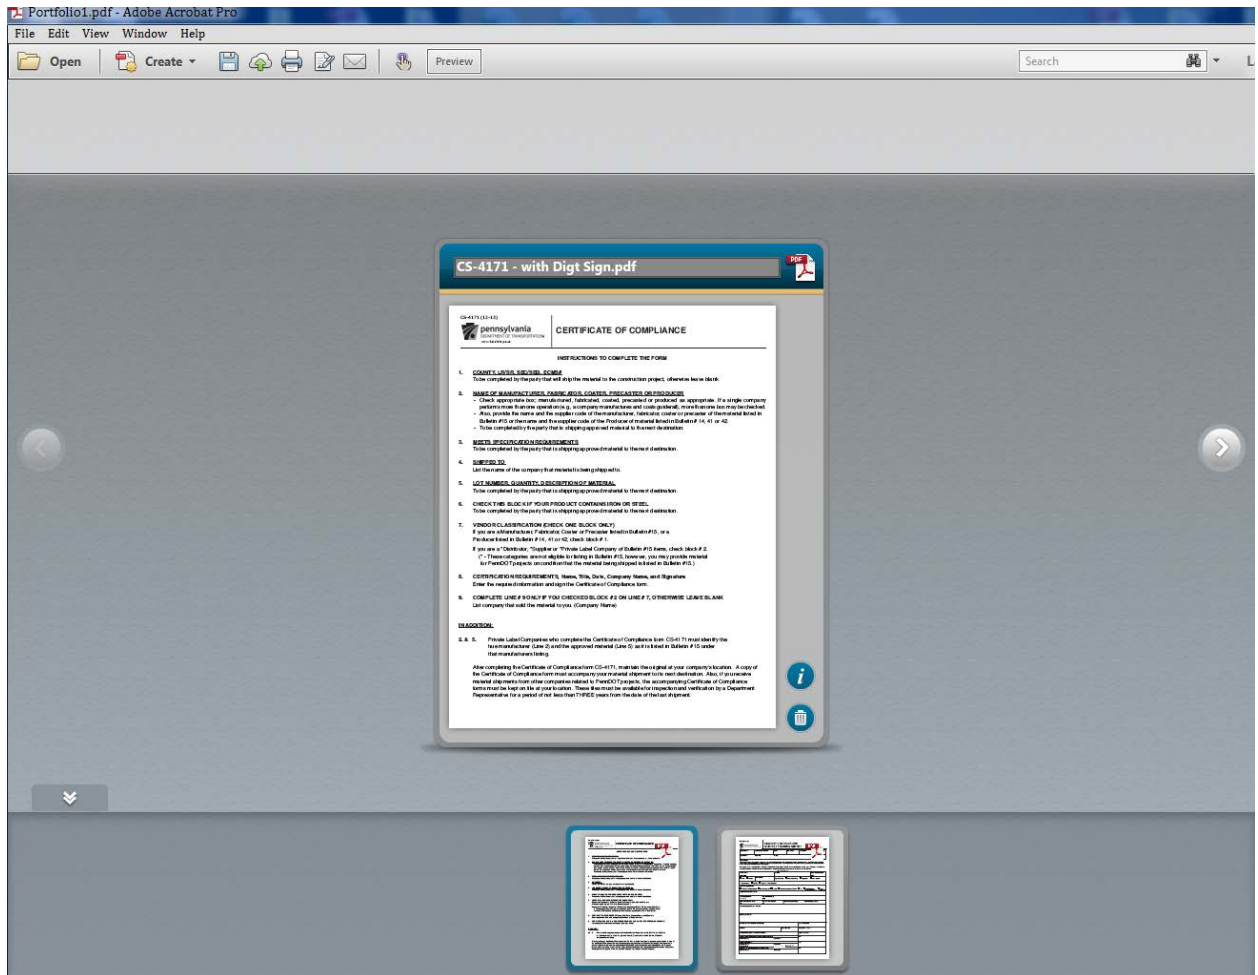

5. Locate the folder in which you saved the files and select the files to be combined

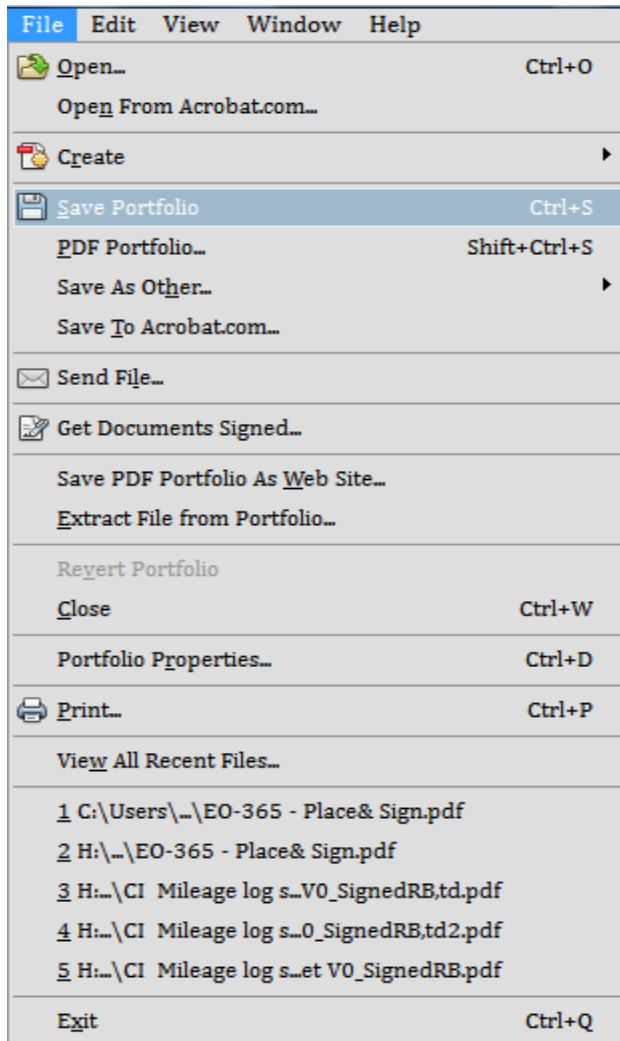

6. Click the Open Button

7. Adobe will now display the Portfolio, using the layout selected in Step 4.

8. Select Save Portfolio under the File Menu

9. Choose a location to save the file, name the file and click on the Save Button to save the Portfolio
