

APRAS Release Notes

Release #: M04
Release Date: Sunday, May 16, 2021
Comments: This release is comprised of enhancements and bug fixes.

New Features

- Permit types requiring Escorts (Final Superload and 60 Building) include a new feature to identify the type of escort that will be used for the move. The options displayed will be based on the permit type and the overall size of the load to guide your selection.

- Certified Escort Vehicle Operators can now apply and renew their Pennsylvania Escort Cards online.
 - Access the PennDot website and navigate to Doing-Business > Permits > Hauling information and locate the Certified Escort Vehicle Driver section.
 - Select if applying as a new Driver or if renewing an existing Driver
 - Provide the required information to apply or renew.
 - Email updates will be sent to keep you informed of the application / renewal status and to update you prior to your certification expiring.

Other Enhancements and Bug Fixes

- The number of characters that can be entered when creating a Supplement for changing the Escort Meet Location has been limited to prevent system error.
- Final Super Load has been updated to ensure the Load Quantity field cannot be edited.
