

## LIVE VIRTUAL PUBLIC MEETING

Route 62 / Route 8 Intersection and 15<sup>th</sup> Street Hill Safety Study  
NOVEMBER 12, 2020 at 6:30 PM to 7:30 PM

**REGISTER AT:** [www.penndot.gov/District1](http://www.penndot.gov/District1)

You're invited to participate in a virtual public meeting to provide input on transportation and safety concerns that will help to identify needs and develop improvements along **Route 62** and **Route 8** for the **15th Street Hill Study** in Sandycreek Township and the City of Franklin, Venango County.

This online meeting will introduce the study and allow you to share your concerns with PennDOT and members of the project team via polling questions, moderated chat-discussions, and an online comment form.

Advanced registration is required to receive the meeting link and sign-in instructions. Go to: [www.penndot.gov/District1](http://www.penndot.gov/District1), click on Public Meetings/Studies, choose the Venango County tile, and select the **15th Street Hill Study**.

**Or Contact:** Greg Maser, PennDOT Project Manager, at 814-678-7035, or via email to the project consultant team at [15thStreetHillStudy@wrallp.com](mailto:15thStreetHillStudy@wrallp.com).
