PENNDOT PROJECT INFORMATION

Hulton Road
Slope Stability Project
SR 2058, Section A13
Penn Hills, Allegheny County
PROJECT TEAM

- Design Division
  - Direct questions to:
    - Jonathan Moses, P.E. – District Geotechnical Engineer at 412.429.4897 or jmoses@pa.gov
    - Dan Bliss, P.E. - Assistant District Geotechnical Engineer
    - J.Tyler Mercer, P.E. - Assistant District Environmental Manager

- Press Office
  - Steve Cowan - District Press Officer

Please complete survey at end of presentation
PURPOSE OF PRESENTATION & PROJECT INTRODUCTION

- SR 2058, Section A13 (Hulton Road) Slope Stability Project
  - The purpose of this presentation is to introduce the project to the public and gather feedback
  - The purpose of the project is to reestablish Hulton Road near Milltown in Penn Hills, Allegheny County
    - Landslide repairs on right lane shoulder headed southbound
    - Roadway and guide rail work
PROPOSED PROJECT IMPROVEMENTS

- Landslide repair includes installing a retaining wall to support the fill slope and reconstruction of the lane and shoulder on the embankment side of the road with milling and resurfacing of the lane and shoulder on the cut slope side. The reconstruction length is approximately 700 feet.
- Right-of-way required from 5 different parcels.
PRELIMINARY RIGHT-OF-WAY

Required Right-of-Way

Temporary Construction Easement
PROPOSED DETOUR

When traveling northbound from site on Hulton Road
- Right onto Coxcomb Hill Road
- Right onto Logan’s Ferry Road
- Right onto Leechburg Road
- Bear Right to stay on Leechburg Road
- Right onto Hulton Road

Detour Length: approximately 11.6 miles (21 minutes)
PROPOSED DETOUR

When traveling southbound from site on Hulton Road
- Continue onto Milltown Road from Hulton
- Continue onto Leechburg Road
- Bear Left to stay on Leechburg Road
- Left onto Logan’s Ferry Road
- Left onto Coxcomb Hill Road
- Left onto Hulton Road

Detour Length: approximately 11.6 miles (21 minutes)
The transportation decision making process includes feedback from the public. In addition, public outreach is part of the NEPA (National Environmental Policy Act) process:

- NEPA requires agencies to integrate environmental values into their decision-making processes by considering the environmental impacts of their proposed actions and reasonable alternatives to those actions.
- NEPA also includes public involvement activities and gathering feedback from the public.
