Piney Fork Road
Slide Remediation
SR 3014, Section A07
South Park Township, Allegheny County
Design Division
- Direct questions to:
  - Jonathan Moses, P.E. - Dist Geotechnical Engineer at 412.429.4897 or jmoses@pa.gov
    - Mark J. Young - District Environmental Manager
    - J. Tyler Mercer, PE - Assistant District Environmental Manager

Press Office
- Steve Cowan - District Press Officer
SR 3014 Section A07 (Piney Fork Road) Project

- The purpose of this presentation is to introduce the project to the public, gather feedback, and present proposed design
- The purpose of the project is to repair the failed slope and reconstruct Piney Fork Road
  - Re-establish two-way traffic and guide rail work on approaches
PROJECT LOCATION
PROPOSED PROJECT IMPROVEMENTS

- Repair Slope and Re-establish stream edge
  - Rock buttress used to fix slope
- Reconstruct roadway to allow two-way traffic
- Acquisition of Right-of-Way required for slope construction
  - Minor Temporary Constructions Easements also needed
- Construction anticipated to begin fall/winter of 2019
  - Road will be closed and detoured during construction
  - Proposed detour is approximately 7.6 miles
Public outreach begins with the **NEPA** (National Environmental Policy Act) process:

- NEPA requires agencies to integrate environmental values into their decision-making processes by considering the environmental impacts of their proposed actions and reasonable alternatives to those actions.
- NEPA also includes public involvement activities and gathering feedback from the public.
Proposed Design

- CROSS SLOPE Varies

- SLOPE Varies (1:1 Typical)

- ** 6'-0" MIN BENCH WIDTH

- *** 4'-0" MAX BENCH HEIGHT
Proposed Detour
Proposed Work Area
