Atherton Street Daytime Lane Closure Starts Next Week

State College, PA – The Pennsylvania Department of Transportation (PennDOT) is alerting drivers that a long-term, daylight lane closure on Atherton Street will start next week.

Beginning Monday, August 10, Glenn O. Hawbaker, Inc. will perform roadway work for a turn lane associated with the building of the Penn State University West Campus Parking Garage.

The road work will require a daytime closure of the right, eastbound lane on Atherton Street between Curtin Road and White Course Drive. Drivers may experience travel delays through this area.

The lane closure will be removed each weekday when work is finished. Work hours are 7:00 A.M. to 7:00 P.M.

This work is not part of PennDOT's Atherton Street improvement project. PennDOT has issued proper permitting to the contractor for their roadway work, which is scheduled through October.

PennDOT reminds drivers that they can subscribe to PennDOT news in Cameron, Centre, Clearfield, Clinton, Elk, Juniata, McKean, Mifflin, and Potter counties at www.penndot.gov/District2.

PennDOT encourages drivers to "Know before they go" and to check conditions on more than 40,000 roadway miles by visiting www.511PA.com. 511PA is free, available 24 hours a day, and provides traffic delay warnings, weather forecasts, traffic speed information, and access to more than 1,000 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
