

PennDOT Engineering District 3-0

State Route 11 and 487 Public Plans Display Survey

Thank you for attending the Public Plans Display for the State Route 11 and 487 Project. Customer satisfaction is very important to PennDOT, and we hope the information presented tonight was beneficial to you. We value your opinion and would like to ensure that the various voices in the community are heard during the design process for this project. Please take a moment to complete this survey to let us know your thoughts.

Please rate the questions listed below on the following scale:

Strongly Agree	Agree	Somewhat Agree	Disagree	Strongly Disagree
5	4	3	2	1

1.) PennDOT is moving in the right direction with this project. _____

2.) The ideas presented are in line with needed transportation improvements in this area. _____

3.) The ideas presented fit the context of the community in which the project will be located. _____

4.) PennDOT should consider the use of nighttime work where possible. _____

5.) The project representatives were willing to answer questions. _____

6.) It was beneficial for me to attend this meeting. _____

7.) Please provide comments for any of the above items you scored at 2 or less:

8.) What aspects of the concept proposed tonight were you pleased to see were considered or included?

9.) What details were not discussed tonight that you hope will be considered in the future?

10.) Please list any known environmental features we should be aware of within the project area. These include historic structures, cultural resources, hazardous waste, storage tanks, wells and other items.

11.) Any other comments?

Thank you for completing this survey. Additional information is available on the project website at: <http://www.penndot.gov/regionaloffices/district-3>
Select “Construction Projects/Roadwork” under District links, then select “Bloomsburg SR 0011-114”
