

US 322 & Chambers Hill Road Intersection Improvement Project
Swatara Township, Dauphin County
Public “Open House” Meeting Questionnaire, April 4, 2019

Please take a few minutes to complete this **Comment Form** so we may better understand if we are addressing the project’s needs and overall concerns.

Please provide your name or business name, and address.

Name/Business (please specify): _____

Address: _____

City: _____ State: _____ Zip Code: _____

Email: _____

Which group do you represent? (Check all that apply)

- Homeowner/ Resident
- Business owner
- Commuter
- Shopper
- Other (please specify) _____

How often do you travel through the project area?

- More than twice a day
- Twice a day (to and from work)
- A few times a week
- A few times a month
- Other (please specify) _____

What are your concerns within the existing intersections in the project study area? (Check all that apply)

- Overall congestion on US 322
- Overall congestion of local roads surrounding the project area
- Local roadway connections
- Pedestrian and bicycle facilities
- Access to US 322 Safety
- Pavement conditions
- Signage
- Other (please specify) _____

What aspect of the project interests you the most? _____

A component of the project solution is to build a roundabout at the Grayson/Milroy Road Intersection, which has significant efficiency and safety benefits.

Are you familiar with traveling through roundabouts? _____

If not, would it be helpful to provide an educational video, brochure, or other material on the project website for future viewing? _____

Do you have any questions or concerns about any specific travel movements on the proposed Alternative Plan?

Do you have any comments about the overall Recommended Alternative? _____

Upon reviewing the public meeting materials, please provide any unique daily or seasonal issues within the project study area roadway network you feel may not have been addressed which can help improve the project.

Thank you for providing your feedback. Please deposit the completed form in the comment box or mail by April 18, 2019 to:
