State-Based Innovation Deployment — The STIC Network is about establishing a group of representatives from various levels of the highway community in each State to comprehensively and strategically consider all sources of innovation. **Learn more about STIC >>**

<https://www.fhwa.dot.gov/innovation/stic/>

[STIC Incentive Program](#)

Offers technical assistance and funds—up to \$100,000 per STIC per year—to support the costs of standardizing innovative practices in a state transportation agency or other public sector STIC stakeholder.
