Meeting the Challenge

“But what can I do?”

How can YOU meet the Challenge?

- Preparing Communities
- Prioritizing Opportunities
- Why should I participate?
- What about the advocates?
- Leveraging good planning for Great Projects
- But we don't do "planning"
- Sometimes the answer is "NO". Now what?
- But we don't have any funding
- But we can't maintain it

How can YOU meet the Challenge?
