

Company:	Please list the services your company provides:	First Name:	Last Name:
A.D. Marble & Company	Environmental, cultural resources, water resources engineering, mitigation design and permitting	Peter	Dodds
Acrow Corporation of America	Temporary bridges-vehicular Temporary bridges-pedestrian Emergency bridges Shoring towers Shoring Props	Ed	Oakley
AECOM	Design, Program Management, P3 Advisory	Tom	Cushman
AECOM	Design and program management of transportation infrastructure.	Daniel	Faust
AECOM	Transportation Engineering, Design, Construction, Investment	Simon	Shekleton
Alfred Benesch and Company	Comprehensive Transportation Engineering services including Design, Inspection and Value Engineering.	George	Horas
Allan A. Myers	Heavy Civil Construction	Seth	Myers
Allen & Overy LLP	PPP Infrastructure	Andrew	Fraiser
Alpha Corporation	Transportation Engineering: Inspection, design, rehabilitation of bridges & ancillary highway structures. Highway engineering, construction management & inspection, project controls, claim analyses & avoidance. Civil & Site Development: A wide array of civil engineering services for site development. Buildings & Facilities: Structural analysis, design, BIM & preparation of construction documents for educational, healthcare & other institutional facilities.	Shahir	Badr
American Bridge Company	General Contractor	Dan	Edwards
American Council of Engineering Companies of PA	Industry trade association	Eric	Madden
American Geotechnical & Environmental Services, In	Geotechnical Engineering	Kanwal	Chopra
Ammann & Whitney	Civil and Structural Engineering	Joseph	Sullivan
Ammann & Whitney, Inc.	Consulting Engineering for Bridge and Highway Design. Construction Inspection for transportation projects.	Joseph	Riley

AMT / A. Morton Thomas	transportation and traffic engineering, construction inspection, coatings inspection	Dave	Snively
Aon Construction Services Group	P3 Advisory Risk Management Surety/Performance Security Syndication	Gerard	Leib
ARROW Land Solutions LLC	Right-of-Way Acquisitions & Relocations Title Abstracting Appraisal Services	Edward	Engle
Arup	Consulting, Engineering, Design, Technical Advisory, Transaction Advice, Project/Program Management	Timothy	Kaiser
Associated Pennsylvania Constructors	Trade organization	Leonard	Bellanca
Associated Pennsylvania Constructors	Trade Association	Bob	Latham
Associated Pennsylvania Constructors	Trade Association	Jason	Wagner
Available	Please note that I have already registered for the forum and I am just updating for the lunch.	William	Miller
B rayman Construction	Heavy Highway/Civil Contractor	Shawn	Bowser
Bechtel Infrastructure Corp	Engineering, Construction,	James	Dell
Borton-Lawson	Engineering / Architecture	Scott	Shimko

Borton-Lawson Engineering	<p>Full planning, design and construction services to private and public sector clients. Our primary business groups are comprised of:</p> <ul style="list-style-type: none"> - Highway Infrastructure - Land Development - Energy Services - Industrial Facilities - Buildings <p>and include the following services:</p> <ul style="list-style-type: none"> - Highway, Traffic & Bridge Design - Energy Facilities/Distribution Systems - Environmental - Architecture - Industrial Systems, Automation, Mechanical Design & Commissioning - Land Development/Surveying - Water Resources 	Al	Kazickas
Bostonia Partners LLC	Financial Advisory and Investment Banking	Thomas	Dooney
Brayman Construction Corporation	Heavy civil and specialty geotechnical foundation work focusing on bridge construction across Pennsylvania.	Scott	Dodds
Buckland & Taylor	Structural Engineering	Genaro	Velez
Buckley & Company, Inc.	Insurance	Robert	Buckley
Buckley & Company, Inc.	Insurance	Joseph	Martosella
Bursich Associates	Civil Engineering, Planning, Water & Wastewater Services, Surveying, 3D Laser Scanning Landscape Architecture	Brian	Fraley
C.C. Johnson & Malhotra, P.C.	Bridge Design, Bridge Inspection, Highway Design, Environmental Engineering, Surveying, MEP/FP Engineering	Amar	Bhajandas
CDM Smith	Engineering - P3 Advisor, P3 Procurment, Planning, T&R, Design, QA/QC, Toll Operations	Matthew	MacGregor
CDR Maguire Inc	environmental compliance engineering and design construction management and inspection	Thomas	Stockhausen

CDR Maguire Inc.	Bridge & Roadway Design Environmental Services Program Management Services Construction Management/Construction Inspection Services	Matthew	Macey
CDR Maguire Inc.	Highway and bridge design, environmental studies and permitting, construction inspection and construction management	Lou	Rocchini
CDR Maguire Inc.	Engineering and Environmental Consulting	Ken	Stockert
Center of Effort LLC	Center of Effort LLC is a woman owned small business providing Public Private Partnership (P3) related services to the public and private sector. Our services include: - P3 project development and management consulting - Training and educational programs related to P3s - Stakeholder outreach programs	Matilda	Pahides
CH2M HILL	Highway/Bridge Design	Torsten	Lienau
Chadbourne & Parke LLP	Legal and related advisory services.	Chadron	Edwards
CKS Advisors LLC	Capital raising (equity, debt, mezzanine debt, others) and project finance advisory services.	Frank	Mahoney
Construction Risk Partner	Insurance and Surety Brokerage	Gary	Rispoli
Conti Enterprises, Inc.	Infrastructure development and construction.	Sean	Blum
Conti Enterprises, Inc.	Infrastructure development and construction.	Jay	Price
Czop/Specter, Inc.	Traffic Engineering, Highway Design, Bridge Design, NBIS Bridge Inspections, Municipal Engineering, Site Engineering, Construction Management, Environmental Services and Surveying.	Glen	Vasquez
Dawood Engineering	We offer services including Transportation, Energy, Land Planning/Site Development, Survey and Mapping, Traffic Analysis/Design, Geotechnical/Geophysical, Environmental and Water/Wastewater.	Tom	Rowader

DBi Services	DBi Services provides infrastructure maintenance, operations and management solutions in North America, Europe and the Middle East for government agencies, highway authorities, utilities, private industries, railways, retailers and other infrastructure owners. From basic, single activity contracts to comprehensive, "best-value", performance-based "bundled services" contracts, DBi Services helps owners extend the life of their assets. We have worked for PennDOT for over 25 years.	Thomas	Clark
Deblin, Inc.	Construction	William	Rocuskie
Dewberry Engineers Inc	Structural Engineering - Bridge Replacement and Rehabilitation Bridge Inspection Highway Engineering Environmental Resource Studies and Documentation Surveys Geotechnical Engineering Hydrologic & Hydraulic Analyses and Permitting Erosion & Sediment Pollution Control Traffic Control Plans Traffic Signal Design	Thomas	Moore
Dilworth Paxson LLP	Legal services	Timothy B.	Anderson
Erdman Anthony	Consulting engineering	Scott	Kelley
FADDIS CONCRETE PRODUCTS	PRECAST CONCRETE	Gary	Figallo
Fisher Associates, PE, LS, PC	Consulting Engineering - Transportation and Site Engineering: Bridge Design, Construction Structural Services, Highway and Traffic engineering, Survey, Environmental Engineering and Permitting, Geotechnical Engineering, Civil/Site Design Services	Joseph	Logan
Fluor Enterprises, Inc	Development, Financing, Engineering, Construction, Operations, and Maintenance	Dan	Stoppenhagen
Freshfields Bruckhaus Deringer US LLP	Legal / specialist public-private partnership counsel (among other areas)	Adam	Giuliano

Freyssinet, Inc.	Existing Structures: Repair and Strengthening - Post-tension repair applications, Shotcrete and Epoxy Crack Injection, Carbon Fiber reinforced Polymer (CFRP) applications, Bridge jacking and bearing replacements, Cathodic Protection applications. New Structures - Stay cables (supply, install, annual maintenance), Post-tensioning applications.	Ed	Kluckowski
G.A. & F.C. Wagman, Inc.	Heavy Civil Contractor specializing in heavy highway construction and geotechnical services.	Richard	Wagman
GAI Consultants, Inc.	Natural Gas Engineering and Permitting Electric Transmission Engineering Environmental Engineering and Studies Cultural Resources Management Transportation Planning and Design Airport Planning and Design	James	Gordon
Gannett Fleming, Inc.	Consulting Engineers	Scott	Zeevaart
Gibson-Thomas Engineering	Consulting Engineers	Donald	Davanzo
Granite Construction Company	Design Build Construction	Geoff	Searle
Greenman Pedersen, Inc.	Full service Engineering: Bridge Highway Stormwater Permits/ E&S Survey Traffic ITS Aerial Mapping Laser Scanning CM/CI Construction Engineering	Joe	Gillott
GZA GeoEnvironmental, Inc.	Geotechnical and Environmental Engineering, Regulatory Permit Support, and Environmental Science Consulting	Ernest	Hanna
Hact Mott MacDonald	Design Practices	Blair	Stocker
Hanover Concrete Co.	Redi-Mixed Concrete, Concrete Pump and Crane Rentals	G. Ronald	Albright

Hanover Concrete Co.	Concrete, Building Products, Crane & Concrete Pump Rentals	Troy	Hull
Harrisburg Biz Leaders	Civil Engineer, Consultant, Technical Proposal Preparation, RFP Preparation, Business Development, Professional Speaking and Writing, Social Media (broadcasting using Social media platforms), Leadership Development.	James	Barbush
HDR Engineering, Inc.	Consulting Engineering Services	Jim	Carnahan
Heavy Highway Carpenters Local 2274	Heavy Highway Carpenters Union	Mike	Welsh
Heim Construction Company, Inc	Bridge, Roadways, Dams, Streetscape and other like PennDOT work	John	Serratore
Herbert, Rowland & Grubic, Inc.	Consulting Engineering Services: Transportation Structures Land Development Environmental Civil Survey	Christopher	Bauer
HNTB	Infrastructure Engineering	Yassmin	Gramian
Horizon Engineering Assoc.	civil engineering, surveying, landscape architecture	Robert	Miller
HRI, Inc.	Paving and Bridge Construction, Waterline and Sewerline Construction, Wastewater Treatment Plants, Sitework, Excavation, Bituminous Supplier	Andy	Renfrew
HRV Conformance Verification Associates	Construction Management and Inspection Coatings Inspection Steel and Weld Fabrication Inspection Non-destructive testing (UT,MT,PT,RT), Precast/Prestressed Concrete Inspection	Douglas	Aiken
ICE, PLLC	Planning, design and construction Consulting Services	Elham	Farzam
innovative products	Supply Bridge preservation materials and the Bridge in a Backpack.	Arthur	Korfin
J.D. Eckman	Bridge and Highway construction	Matthew	Hurley
Jacobs	Bridge Design Highway Design Traffic Design Construction Management	David	Phelan

Jacobs	Bridge, highway, and traffic/ITS design services, as well as construction management services	David	Thomas
Jacobs Engineering Group	We are a full service engineering firm throughout the country and world. Jacobs has offices throughout the Commonwealth of Pennsylvania. In these offices we perform structural engineering , highway design, traffic engineering and ITS services. We also perform CM/CI. Jacobs work for PENNDOT, the Pennsylvania Turnpike Commission and many agencies throughout the region.	Jon	Livingston
JMT	Full Service Design Consultant Construction Management/Inspection	Barry	Epley
JMT	Full Service Design Consultant Construction Management/Inspection	Gary	Miller
Joseph B Fay Company	Bridge & Structure Construction Roadway Construction Utility Construction Marine Construction Demolition	Michael	Trettel
Keller Engineers	Full Service Engineering - Transportation, Construction Management, Structural, Water/Wastewater, Land Development, Permitting, Survey	Shawn	Ritchey
Keystone Acquisition Services, Corp.	Project Management, Acquisition, Negotiation, Relocation, Title Search, Appraisal, Condemnation, Property Management, Machinery & Equipment Appraisal, Settlement, Design Assistance	Jay	Broadbent
Kiewit Infrastructure Co.	Heavy Construction	Michael	Fischer
Kiewit Infrastructure Group	Construction, development and long-term maintenance.	Wayne	Thomas
Kokosing Construction Company, Inc.	General Contractor	Dave	Mattson
KPMG	Infrastructure Advisory	Tim	Wilschetz
KPMG Corporate Finance	Financial and Procurement Advisory Services	Thomas	Mulvihill
KTA Tator, Inc.	coatings related services	John	Ekiert
L.R. Kimball	Design,	Ed	Jones

L.R. Kimball	Architecture, Aviation, Civil Engineering, Construction Services, Data Systems, Education, Environmental Services, Facilities Engineering, Geospatial Services, Networks, Public Safety & Transportation	Kevin	O'Connor
Larson Design Group	Bridge Design – Vehicular, Pedestrian, Railroad, Equestrian, Aqueducts Bridge Rehabilitation Bridge Load Rating Analysis Bridge/Sign Safety Inspections Construction Inspection DEP Permitting NPDES Permitting Erosion & Sedimentation Control Plans Feasibility Studies Flood Studies Geotechnical Investigation Grant/Funding Assistance Highway Design 3-Dimensional Finite Element Analysis Asset Management & Capital Improvement Pla	Quentin	Rissler
Larson Design Group	Bridge design statewide, bridge inspection, construction inspection, highway design, traffic services.	Douglas	Smith
Larson Design Group	Design and Construction Management	Steve	Wilver
Loftus Construction, Inc.	Heavy Highway Concrete Construction	Kevin	Loftus
Mackin Engineering Company	Transportation Design including Highway and Structures Survey Traffic Design	Jeff	Raykos
Mackin Engineering Company	Bridge Design/Inspection, Highway Design, Construction Inspection, Traffic engineering	Tom	Riester
Mascaro Contracting, L.P.	Heavy Highway, Industrial and commercial construction.	Matthew	Fleury

McMahon Associates, Inc.	Traffic Engineering Structure Design & Inspection Transportation Planning ITS/Signals Highway Safety & Design Lighting Survey GIS	Joe	Rudy
MCTISH KUNKEL & ASSOCIATES	McTish, Kunkel & Associates has provides professional engineering, planning, environmental, and construction management services to a wide range of clients including PennDOT, the Natural Gas Industry, municipal governments, public water and sanitary authorities, airports, railroads, parks and recreation agencies, residential and commercial land developers, and various public and private clients.	Matthew	McTish
Meridiam Infrastructure	Developer	Sven	Kottwitz
Michael Baker Jr., Inc.	Engineering and Construction Management	Eric	Frary
Michael Baker Jr., Inc.	Transportation, Architecture, Aviation, Defense, Environmental, Geospatial, Homeland Security, Municipal & Civil, Oil & Gas, Planning & Urban Design, Rail & Transit, Telecom & Utilities, Urban Development and Water	Andrew	Thomas
Modjeski and Masters, Inc.	Bridge design, rehabilitation and inspection.	Michael	Borzok
ms consultants, inc	Transportation design	William	Wilson
ms consultants, inc.	Consulting engineer specializing in transportation	Don	Killmeyer
ms consultants, inc.	Consulting engineering specializing in transportation	Karl	Nejak
N/A	Professional services promoting good transportation in PA	Ronald	Drnevich
New Enterprise Stone & Lime Co., Inc.	Heavy Highway Contractor and Highway material supplier, aggregates, concrete, asphalt, concrete beams	Geoff	Clarke
Newcrete Products	Prestressed Concrete Beams	James	Kyper
Northeast Prestressed products, LLC	We are a premier supplier of quality prestressed/precast cement products. Products produced: Bulb Tees, I-Beams, Adjacent & Spread Box Beams, Deck Panels, Next Beams, Abutments, Piles, Retaining Wall System, Sound Wall, Precast Products.	Thomas F.	Koons

Northeast Prestressed Products, LLC	We are a premier supplier of quality prestressed/precast concrete products. Products Produced: Bulb Tees, I-Beams, Adjacent & Spread Box Beams, Deck Panels, Next Beams, Abutments, Piles, Retaining Wall System, Sound Wall, Precast Products.	Daniel	Ploch
NTM Engineering, Inc.	NTM Engineering provides professional engineering design and training services, including hydrologic and hydraulic studies and waterway permitting, stormwater design and permitting, bridge design and inspection, transportation engineering, and technical course development and training. NTM is a registered Disadvantaged Business Enterprise (DBE) in Pennsylvania, Maryland, and Delaware.	Rachel	Tereska
OHL Infrastructure, Inc.	Concessionaire - Owner / Operator; Affiliate (OHL Construction) provides construction services for large infrastructure projects internationally	Tim	Young
P. JOSEPH LEHMAN, Inc., Consulting Engineers	Bridge Design, Highway Design, Structural Design, Site Design and Development, Survey, Environmental, Construction, Grantsmanship, Environmental Remediation, and Geographic Information Systems	Husam	Obeid
Parsons	I have already submitted registration for forum; however, this registration includes the addition of the lunch/networking session.	Tag	Goodwin
PARSONS	Design, engineering, construction and P3 investment	Ruth	McMorrow
Parsons Brinckerhoff	Advising PennDOT	Alistair	Sawers
Peckar & Abramson, P.C.	Peckar & Abramson's Public-Private Partnerships (P3) Group is adept at addressing the regulatory, contractual, transactional, financial and political issues that accompany P3s. Our familiarity with all aspects of the P3 process enables our group to help clients solve challenges and successfully build complex projects.	Frank	Rapoport
Peckar & Abramson, P.C.	Peckar & Abramson's Public-Private Partnerships (P3) Group is adept at addressing the regulatory, contractual, transactional, financial and political issues that accompany P3s. Our familiarity with all aspects of the P3 process enables our group to help clients solve challenges and successfully build complex projects.	Michael	Zicherman
PennDOT	Transportation	James	Foringer

PennDOT	Transportation	Vince	Greenland
PennDOT	Transportation	Kevin	Kline
PennDOT	Transportation	Christopher	Kufro
PennDOT	Transportation	Thomas	Macioce
PennDOT	Transportation	Thomas	Prestash
PennDOT	Transportation	Dave	Reynolds
Pennoni Associates	Full services engineering firm Construction Inspection Fabrication Inspection Materials Testing	Len	Nardone
Pennoni Associates Inc.	Construction Services, Energy & Sustainability, Environmental, Fabrication Inspection, Geotechnical, Laboratory Testing, Land Development, Landscape Architecture, MEP, Municipal, Planning, Structural, Survey & Geomatics, Transportation, Water/Wastewater	Ted	Januszka
Pennoni Associates Inc.	Construction Services, Energy & Sustainability, Environmental, Fabrication Inspection, Geotechnical, Laboratory Testing, Land Development, Landscape Architecture, MEP, Municipal, Planning, Structural, Survey & Geomatics, Transportation, Water/Wastewater	Todd	Morris
Pensy Supply Inc.	Prime PDOT / PATPK Highway & Bridge Contractor	Mark M	Polizzi
Plenary Group	#NAME?	Martin	Stickland
Pugliese Associates	Government Affairs Consulting	Lou	Biacchi
Quandel Engineering Group, LLC.	Civil Engineering Transportation	Joseph	Uliana
Quantum Communications	Public Relations Consultation	Kim	Maiolo
Raudenbush Engineering	Bridge design and inspection Highway design Right of way and utility coordination Geotechnical services Environmental services Permitting Surveying	Jack	Raudenbush

Raudenbush Engineering	Bridge Design and CBSI Inspection H&H Highway Design ROW and Utility Coordination Survey Geotechnical Services Environmental Services Permitting	George	Smith
Reynolds, Smith and Hills, Inc. (RS&H)	RS&H provides architecture, engineering, design, planning, environmental, and construction services to meet our clients' needs. Building on 70 years of client-focused success, we are consistently ranked among the top 100 design firms.	James	Hullett
RK&K	Structures, Transportation & Traffic Engineering	Todd	Rousenberger
Road-Con, Inc.	Heavy / Highway Construction	Albert	Hoffman
Roy Jorgensen Associates, Inc.	Facility and highway infrastructure, engineering, consulting, operations, maintenance and management services.	Charles	Henningsgaard
Schnabel Engineering	Geotechnical Engineering	William	Petersen
Schnabel Engineering	Geotechnical Engineering	George	Wirth
Skanska	heavy civil construction, construction management, finance, program management.	Keith	Sabol
Skanska Infrastructure Development Inc	Equity Investor and Infrastructure Project Development	Chris	Guthkelch
Skelly and Loy	Full environmental services, including NEPA clearance, agency coordination, threatened and endangered species coordination, H&H studies, hazardous waste studies, cultural resource studies and waterway permitting (404/105 permits)	Sandra	Basehore
Skelly and Loy	NEPA studies, environmental impact assessments, environmental mitigation plans. cultural resource and archaeological studies	Edward	Stetz
SNC-Lavali Capital USA Inc	Engineering and construction	Patrice	Duval

Stahl Sheaffer Engineering, LLC	Stahl Sheaffer Engineering is a single source for a full range of civil engineering services including transportation enhancement, surveying, land development, oil and gas support services, roadway restoration, bridge inspection and analysis, municipal engineering, project bidding and approval, permitting, agency coordination, and construction management/inspection.	Mike	Marso
Star America Infrastructure	Equity Investor	Jahred	Kallop
Stell Environmental Enterprises	Stell Environmental Enterprises, Inc., (SEE) is a woman-owned small business specializing in environmental, engineering, and planning consulting services including natural and cultural resources management, NEPA and Section 106 compliance and documentation, permitting, community and transportation planning, community relations / public involvement, agency coordination, Section 4(f) Evaluations, and hazardous waste site assessments and investigations. PennDOT DBE and PA DGS SDB	Richard	Pugh
Striewig Bonding Agency, Inc.	Surety Bonds	Rob	Striewig
STV Incorporated	STV is a leading, award-winning professional firm offering engineering, architectural, planning, environmental and construction management services. STV's professional, technical and support personnel offer services to a broad and ever-expanding client base. We provide planning, environmental, design, program and construction management, and specialty services for the transportation, design-build, institutional and commercial building, advanced technology, industrial and defense markets.	Geoffrey	Stryker
Sucevic, Piccolomini	Design Consultant	Alan	Bailey
Sucevic, Piccolomini & Kuchar Engineering, Inc.	Design Consultant	Alan	Bailey
Sumitomo Mitsui Banking Corporation	Financial advisory services, project financing and municipal financing for transportation infrastructure projects including public private partners. Experienced in a wide range of P3 structures including DBF, DBFM and DBFOM.	Raymond	DiPrinzio

Susquehanna Valley Construction Corporation	Bridge Contracting.	Mark	Schug
Swank Construction Company	Highway Contractor Saw/Seal Milling Excavation Environmental	James	Minor
Swank Construction Company	Bridge Construction	Andrew	Swank
T. W. Engineering, Incorporated	Design Services - Bridge, Highway, Traffic	William	Crawford
T.Y. Lin International	Multi-service architectural and engineering firm that specializes in bridge design including signature bridges such as the Hoover Dam Bypass Bridge and PennDOT bridges such as the I-78 Bridge replacement near Cabela's. Experts in alternative delivery methods including D/B and P3 methods and have performed rapid bridge replacement projects throughout the United States. Experts in ABC techniques and associated services with highway engineering, drainage, MPT, survey and associated permitting.	Amanda	Schumacher
THB Advisory LLC	financial consulting	Thomas	Boast
The Conti Group	General Contractor Construction Management	Gerard	Maurer
The Lane Construction Corporation	One of America's premier heavy civil contractors, The Lane Construction Corporation is the preferred partner to connect and improve the communities and world in which we live. Founded by railroad engineer John S. Lane in 1890, Lane constructs quality highways, bridges, locks, dams, and mass transit and airport systems in 20 states. Lane and partners are currently constructing one of the largest public-private partnership (P3) project in the United States, the 495 Express Lanes val	Robert E.	Alger, Jr.
The Lane Construction Corporation	Heavy Civil Construction	Ginny	Finley

The Lane Construction Corporation	General Contractor	Marty	Hoover
The Lane Construction Corporation	General Contractor	Joseph	Lark
The Louis Berger Group, Inc.	Design-build engineering and construction support services. Design-build finance advisory services.	Tom	Dominiecki
Traffic Planning and Design, Inc.	Transportation Planning, Highway, Streetscape and Trail Design, Bridge Design & Inspection, Traffic Signal System Design, Environmental Services and Permitting, Construction Mgmt, and Inspection, Exper Witness Work for Accident Investigations.	Matt	Hickson
TranSystems	Full service transportation engineering company. Design, rehabilitation, inspection, construction engineering services and construction management.	Manjeet	Ahluwalia
TRC	Engineering Consulting, Structural design, roadway design, geotechnical engineering, drilling, construction engineering and inspection and construction management Lenders Technical Advisor Asset Evaluations Long-Term O&M Planning	Douglas	Massih
TRC Engineering, Inc.	Complete Transportation Design and Construction Management / Inspection services (including steel and precast concrete shop fabrication inspection).	Ronald	Huey
TreCom Systems Group, Inc.	Information Technology Consulting; Application Software Development; IT Project Management; Customized Training and Documentation; IT Staffing	Jerry	Cichocki
TreCom Systems Group, Inc.	IT Services Help Desk Training Testing Software Development Web Development	Charles	Thompson

U.S. Bank	U.S. Bank is the leading corporate trustee for municipal and corporate debt issuances. Experience with PAB's that are issued on some P3 projects around the country. Recently appointed bond trustee on Gothals Bridge P3 project in NY/NJ	Michael	Dockman
Ullico Investment Company	Investment fund	Reed	Singer
unemployed	I'm unemployed.	Richard	Heimbach
Urban Engineers, Inc.	Multi-Discipline Engineering	Matthew C	Marquardt
URS	PPP Advisory	Christopher	Shaeffer
URS Corporation	Engineering design and construction management	Alex	Houseal
URS Corporation	Surface transportation engineering (structural, civil, environmental, geotechnical, water resources)	Kevin	Sear
Volkert, Inc.	A multi-disciplinary, full-service engineering & environmental firm that provides services to state departments of transportation, federal agencies, local & municipal governments, as well as private industry.	Michael	Flack
Walsh Construction Company	Walsh Construction Company is a Chicago-based general contracting, construction management, and design-build firm. Walsh is recognized as the largest construction firm in Chicago according to Crain's Chicago Business, as well as one of the nation's top 15 contractors according to Engineering News-Record (ENR). The firm has experience with a wide variety of building, civil, and transportation sectors. Maintaining regional offices across North America, Walsh Construction operates using Union Labor	Jeremy	Molenaar
Walsh Construction II	Prime Contracting	John	Frank
WBCM	WBCM is a full service AEC that can provide all engineering and support services associated with bridge replacement projects except for geotechnical services from project inception to punch list closeout. We have been involved in the replacement / rehabilitation / preservation of upwards of 100 bridges over the last 15 years for PennDOT & PTC. We excel at the D/B/B and D/B project delivery methods and strive to provide quality, low maintenance, economical designs on time and within budget.	Joe	O'Neil
Wells Fargo Securities	Investment Banking, Underwriting, Debt Analysis	Julie	Burger
Wells Fargo Securities	Investment banking and commercial banking	Ryan	Conway

Whitman, Requardt & Associates,LLP	Engineers - Architects - Planners	Eric	Meyer
Widmer Engineering Inc.	Civil Engineering, Survey, Bridge Design, Highway Design	Tony	Sadaka
Witman Engineers & Consultants, LLC	Bridge Design Services, Construction Engineering Services	William	Witman
Zachry Construction Corporation	Design Build Delivery	Paul	Newman
Zachry Construction Corporation	Airports // Roads // Highways // Bridges // Dams // Tunnels // Canals // Mass Transit Facilities // Site Preparation for Commercial Building and Industrial Applications // Mining // Environmental Remediation	Chris	Stratton
