

Welcome to the

# Plans Display & Public Meeting

Roundabout at Route 82 (Manor Road) & Cedar Knoll Road/Reeceville Road

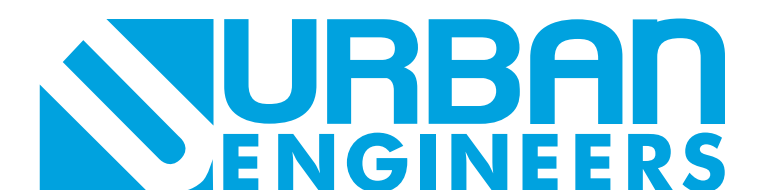

Please come in to the Public Meeting Room

- Meet the Project Team
- Learn about the proposed roundabout
- Review the preliminary engineering plans
- Review the project schedule
- Provide feedback

January 30, 2019  
5:30 - 7:30PM

For more information, contact

# About the Project

This project will construct a roundabout at the intersection of Route 82 (Manor Road) & Cedar Knoll Road/Reeceville Road. This intersection is located in West Brandywine Township, Chester County. This project will increase safety, improve operations, and ease congestion at the intersection.

## Project Schedule

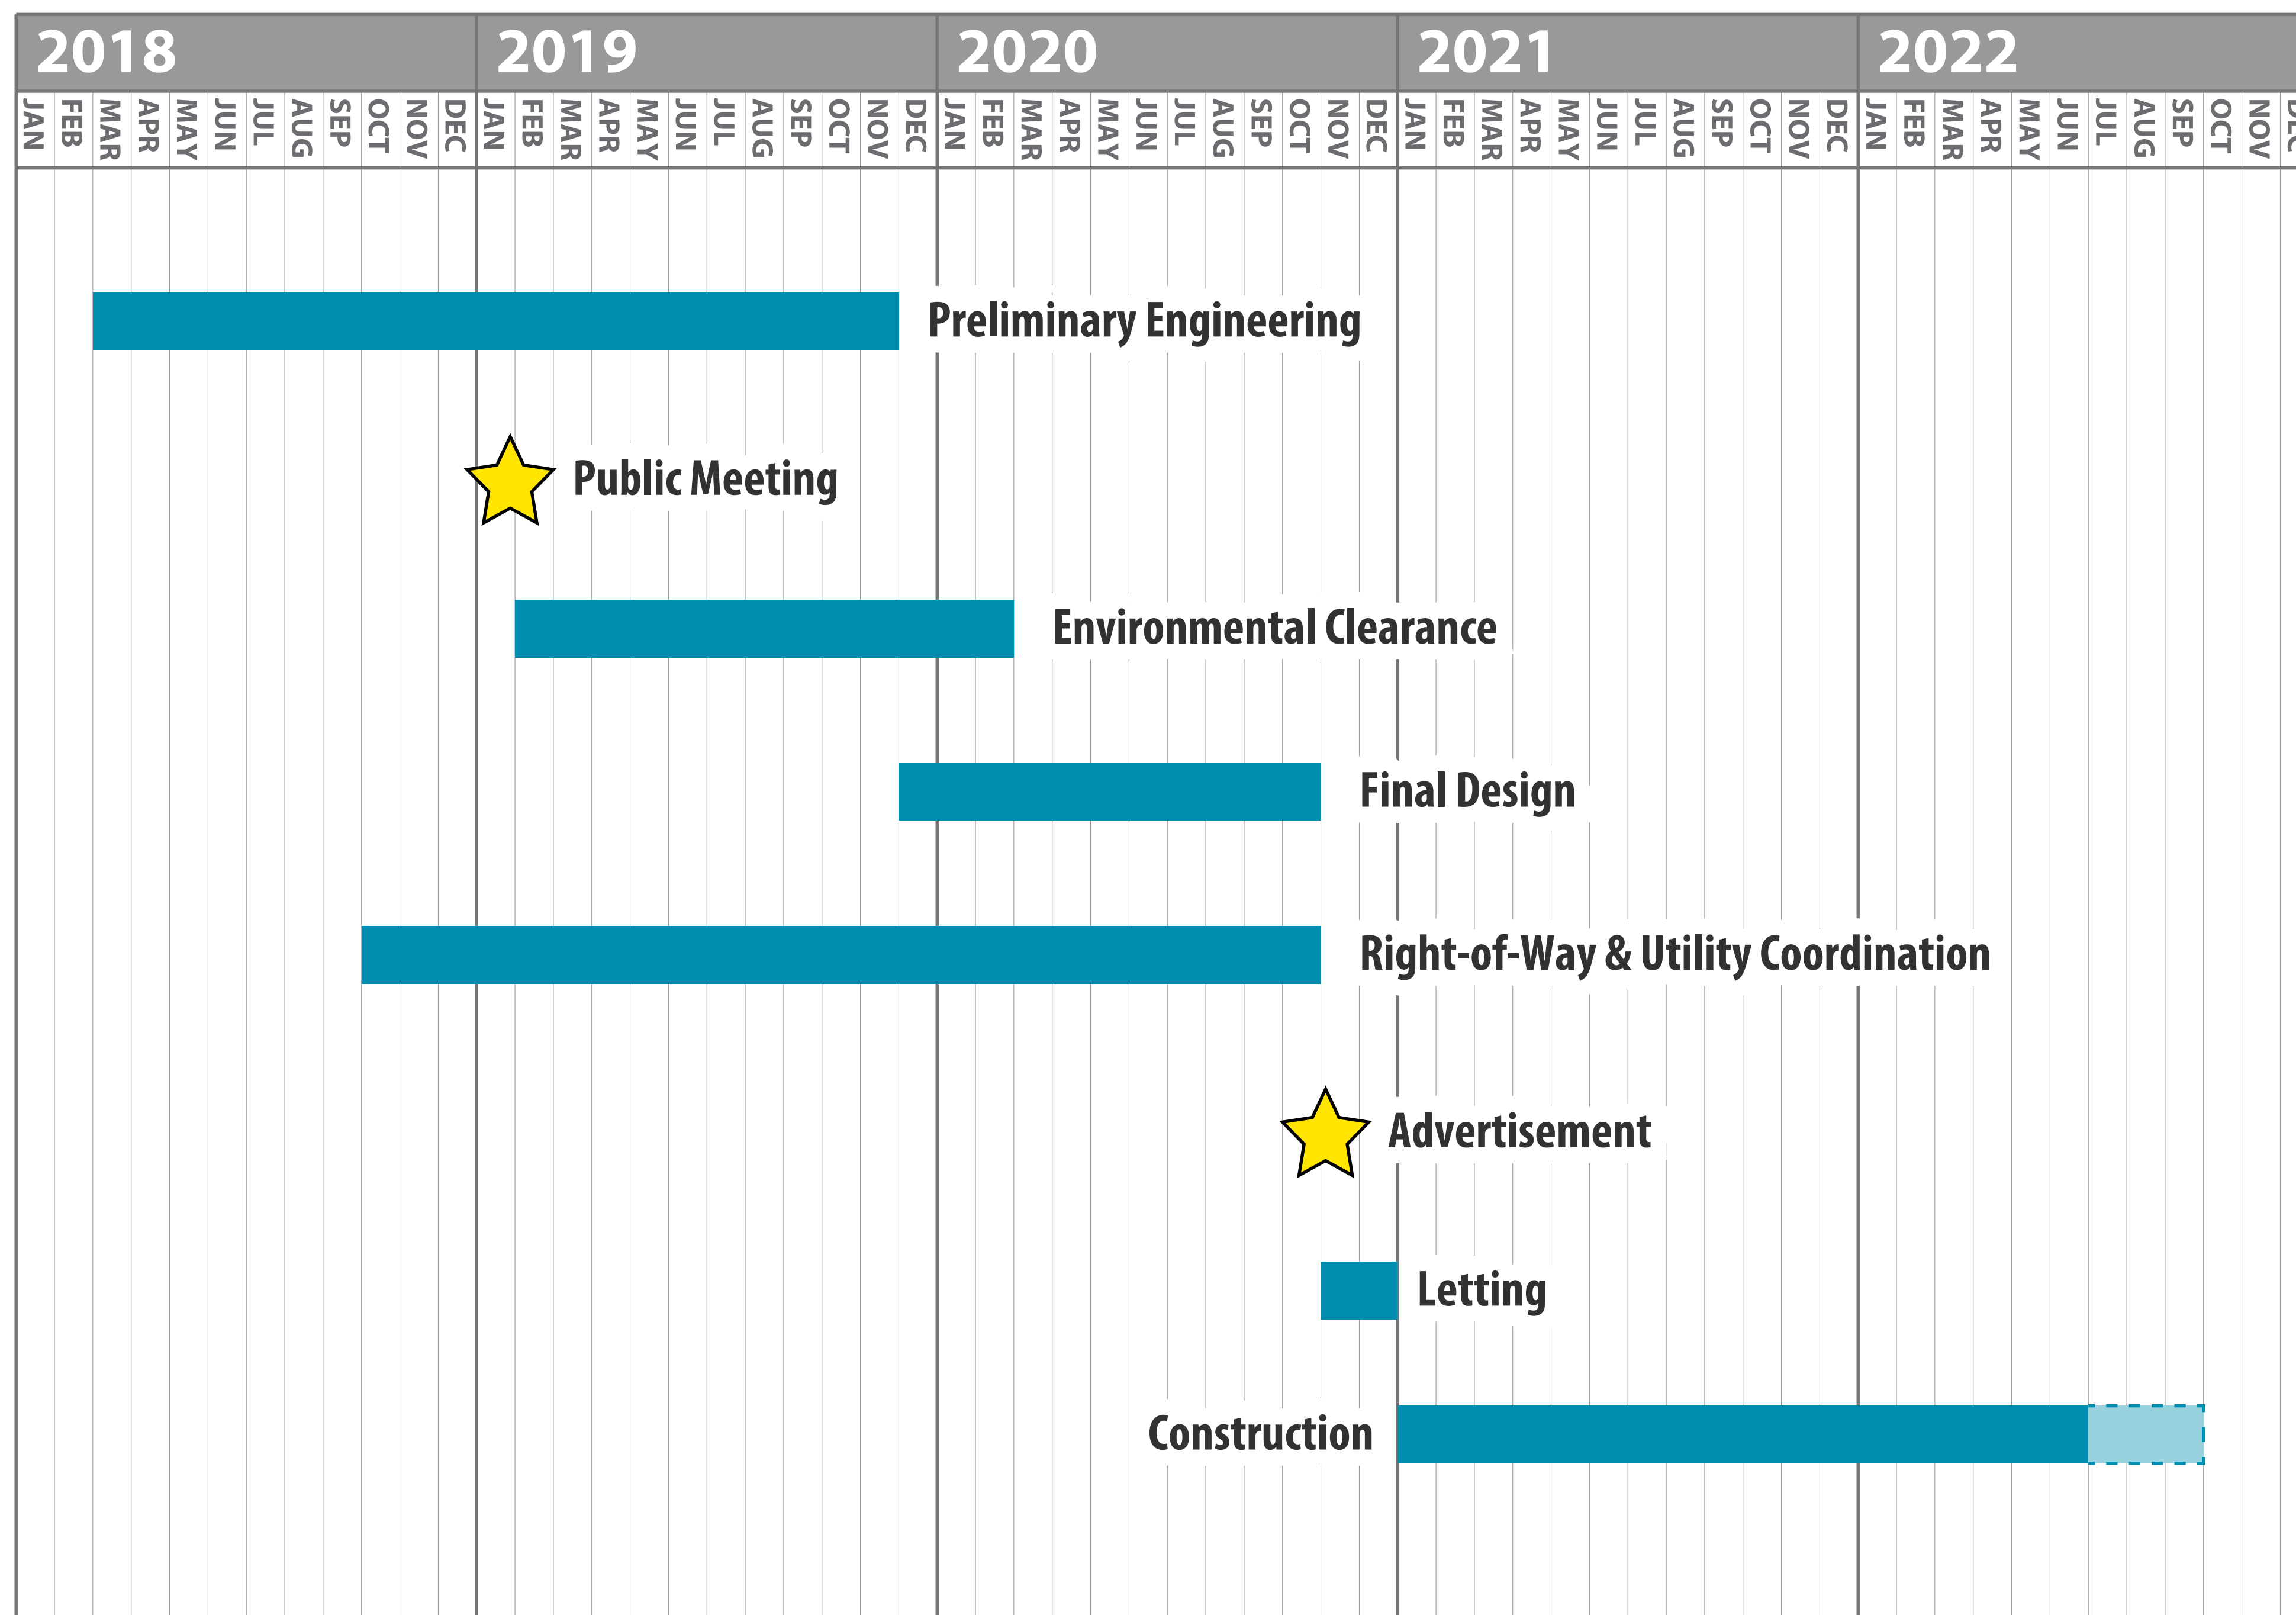

Preliminary Engineering is scheduled through fall 2019, followed by Final Design, which is expected to finish in fall 2020. PennDOT will then advertise the project for construction and receive bids from contractors. Construction is expected to begin in 2021 and last approximately 18 months, ending in summer 2022.

Looking north on Manor Road

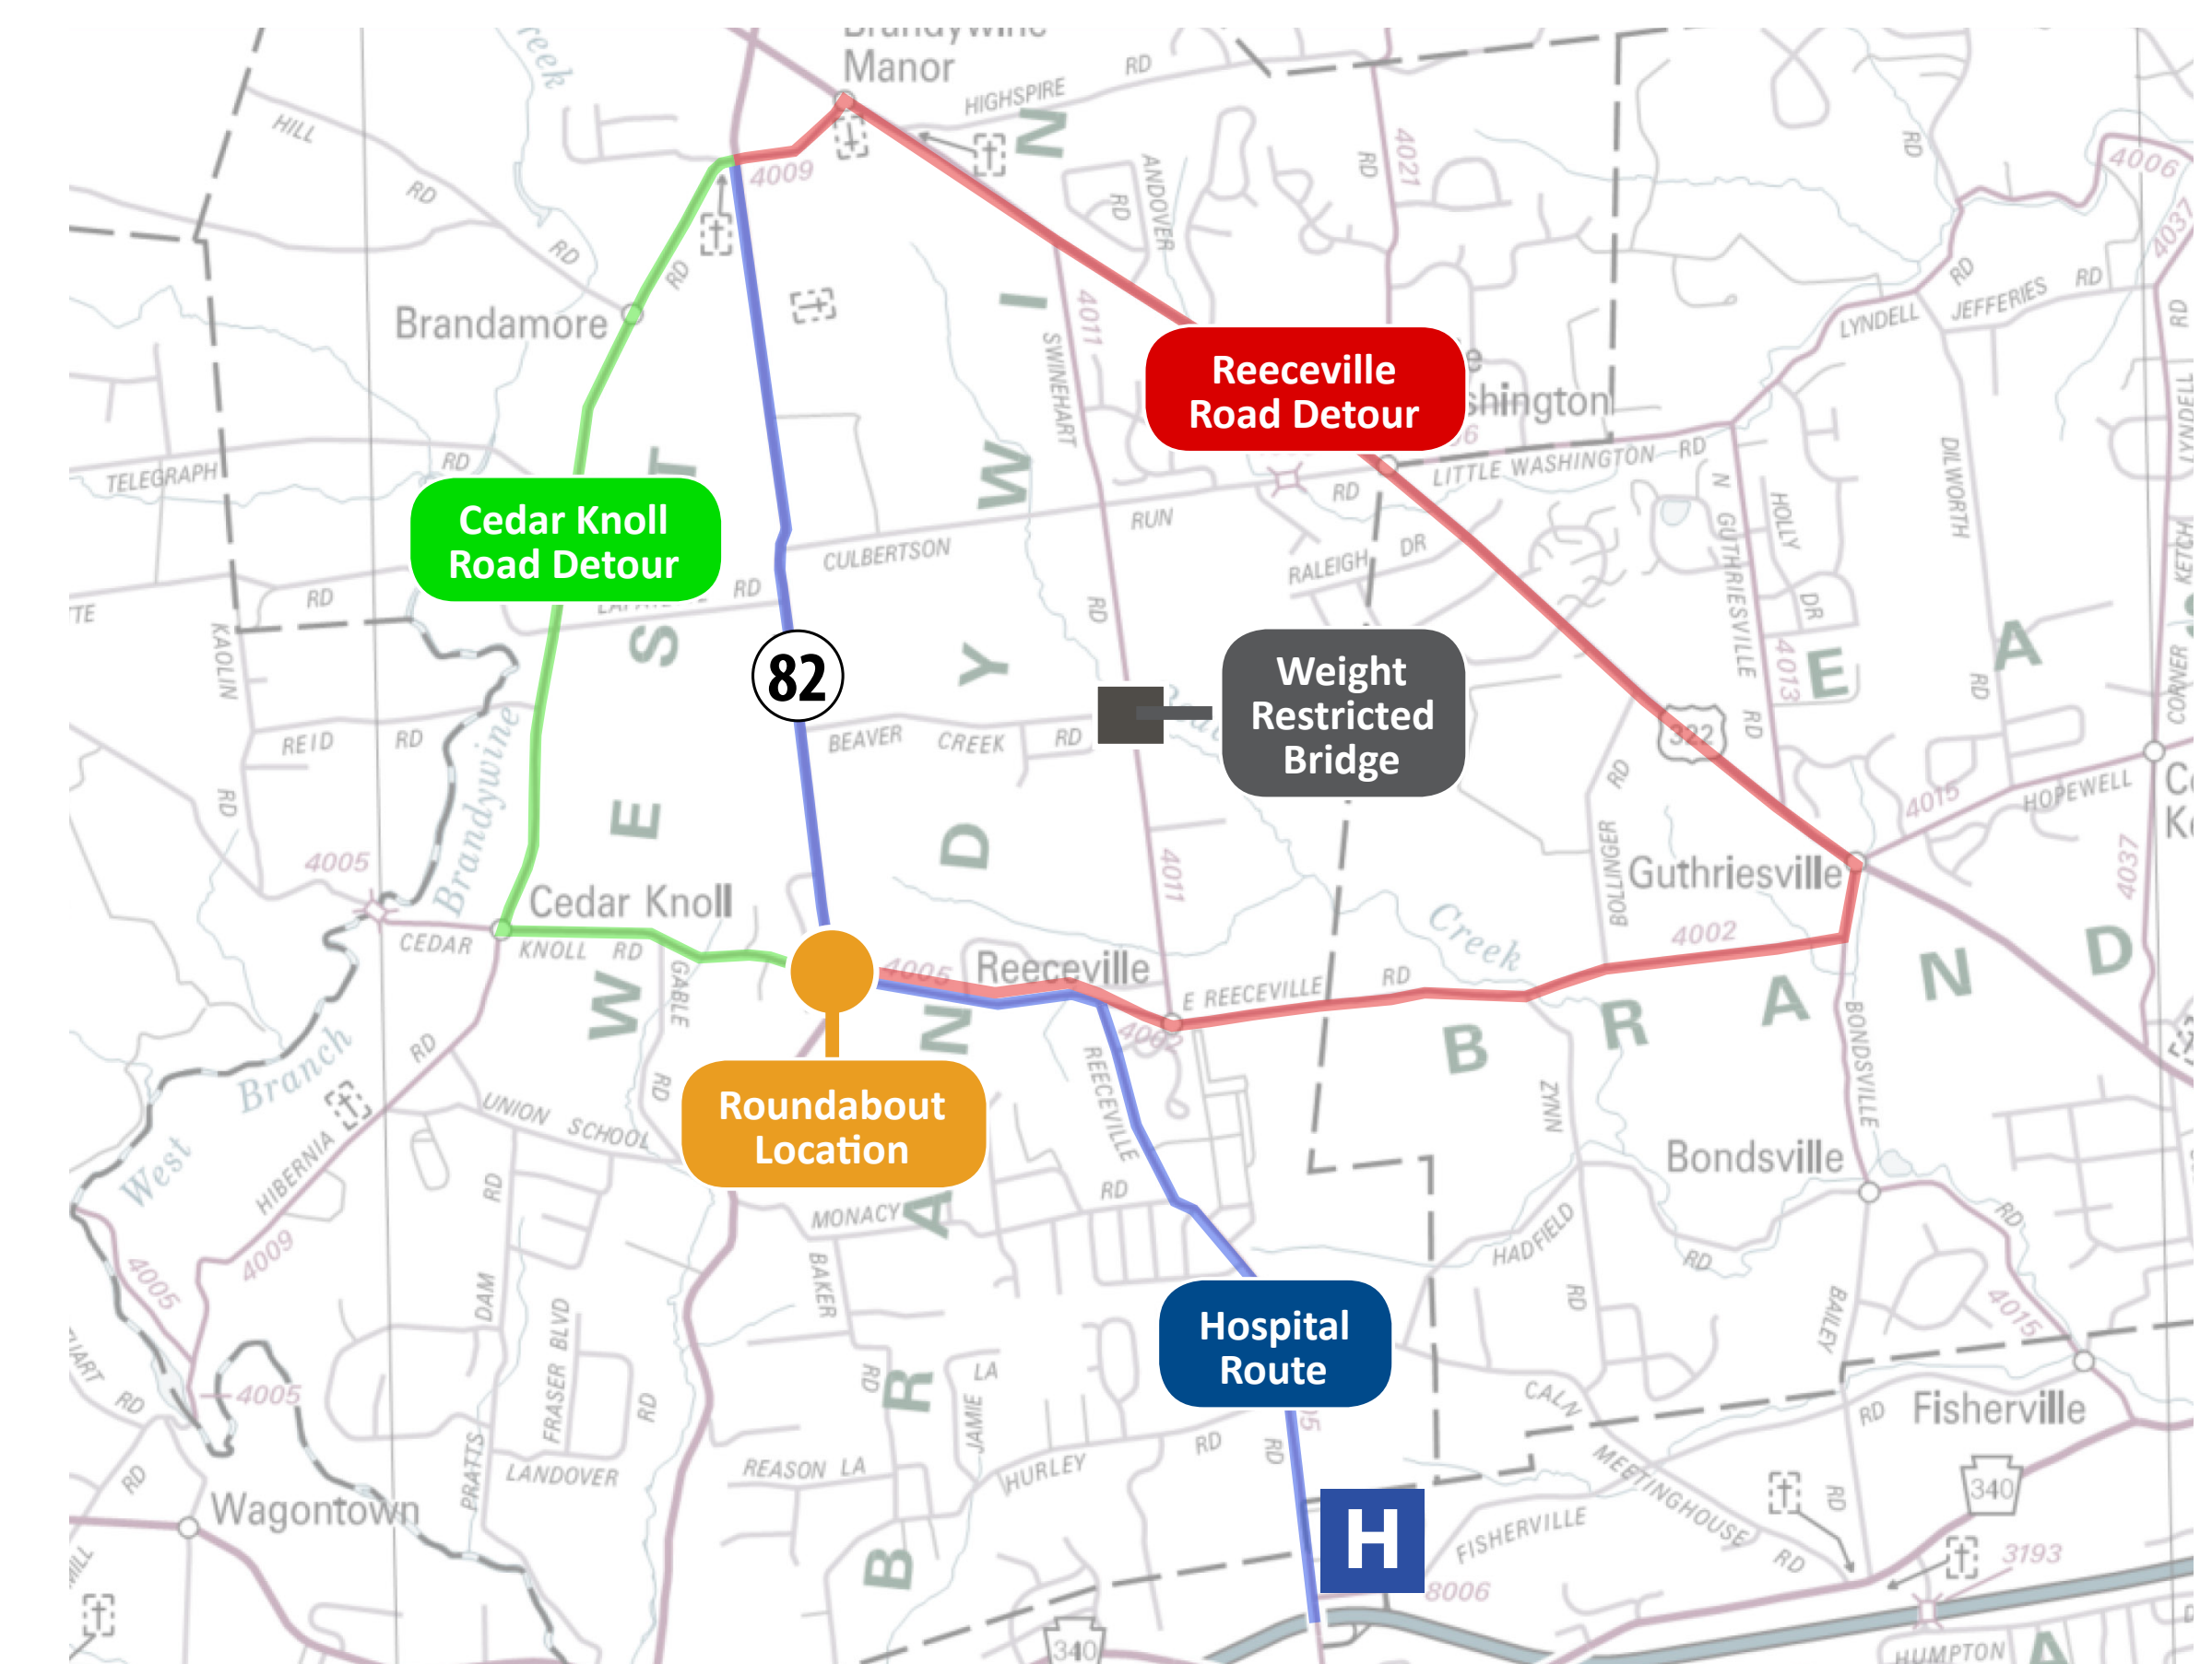

View of the intersection  
Looking east on Cedar Knoll Road

## Phased Construction

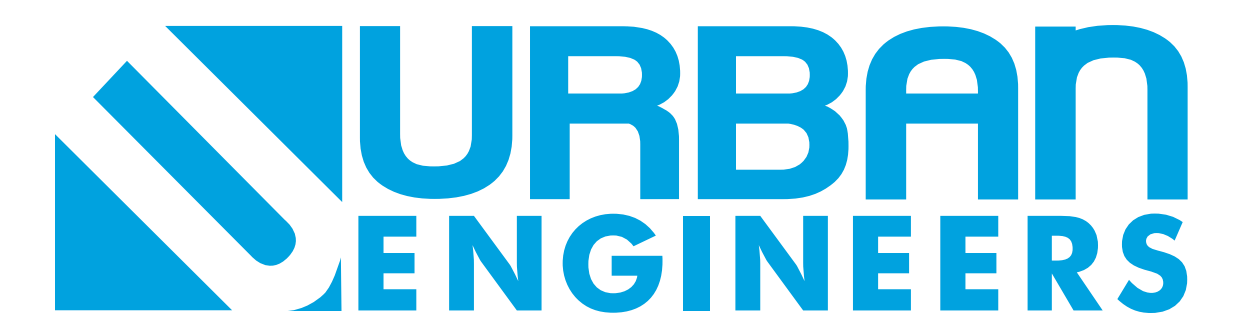

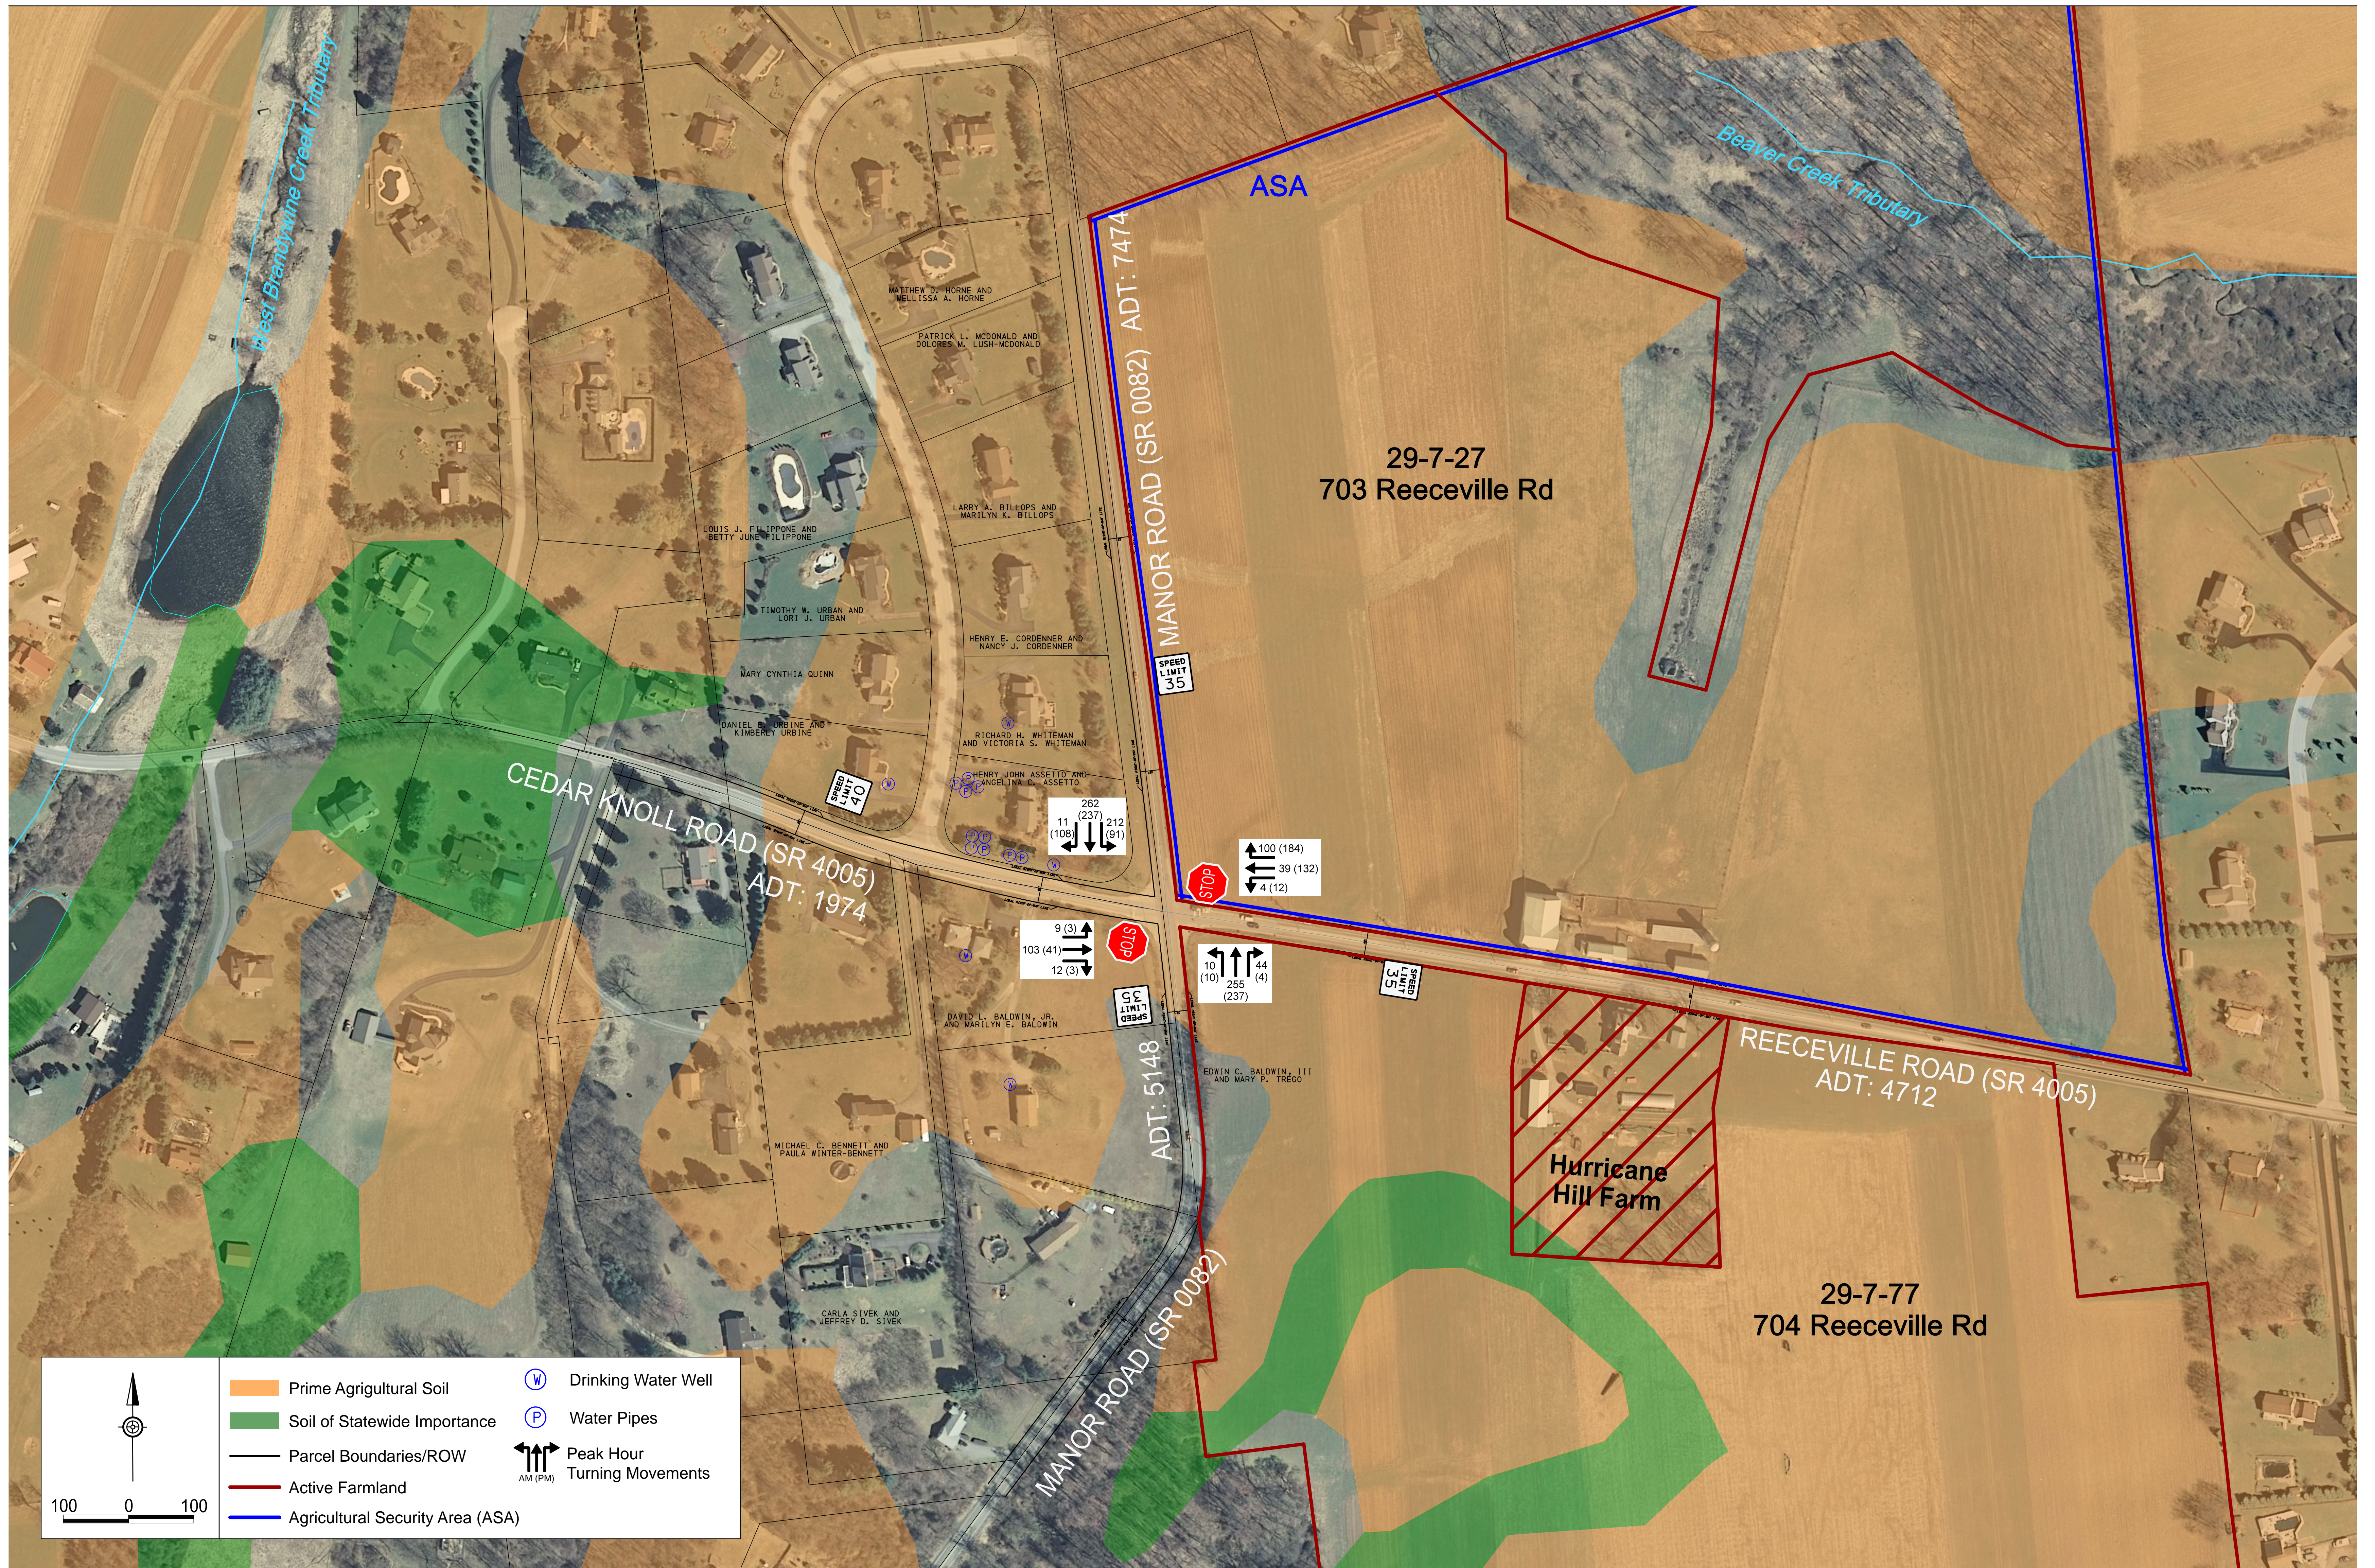

Construction of the roundabout will occur in phases. Route 82 (Manor Road) will remain open during construction. Traffic on Cedar Knoll Road/Reeceville Road will be partially detoured during construction.

Partial Detours will be implemented during construction
