

In this fourth and final special edition *STIC Innovation in Motion* e-Newsletter commemorating the STIC's **10th Anniversary**, listen to the two most recent STIC 10th Anniversary podcast episodes, featuring interviews with Pennsylvania's STIC Co-Chairs. Additionally, read more about updates presented at the most recent STIC Business Meeting and learn more about how PennDOT celebrated innovation during its recent Innovation Awards Ceremony.

Why Collaboration? Moving Innovations Forward in Pennsylvania

Innovation through collaboration has been the STIC's motto since it's inception in 2012. Listen to PennDOT Secretary Yassmin Gramian and FHWA PA Division Administrator Alicia Nolan discuss the importance of collaboration to move transportation innovations forward in Pennsylvania and how the STIC plays a vital role in helping to address current and future transportation challenges.

PennDOT Secretary

Alicia Nolan

FHWA PA Division Administrator

Delivering Efficient Transportation Services for Pennsylvanians

STIC members convened in Hershey during the Associated Pennsylvania Constructors Fall Seminar in November to learn about and discuss current innovation developments, including updates on STIC and Every Day Counts (EDC) innovations and initiatives, such as the Pennsylvania Safety Transportation and Research Track (PennSTART), that received STIC Incentive Program funding. Honoring PennDOT Employees for Innovation Excellence

The 2022 PennDOT Innovation Awards recognized PennDOT employees for their time- and money-saving innovations during an in-person ceremony in Harrisburg on Nov. 30. Some of the innovations included: implementing safety improvements for employees as well as motorists, streamlining processes that save time and money, repurposing parts for vehicle and equipment repairs, and implementing a creative solution to aid municipalities facing costly bridge repairs and replacements, among others.
